Christmas Special

**A Merry Christmas and Happy New Year
to all members and their families.**

Culter's Got Talent!

Members attending the Festive Night were royally entertained by the Music Groups newly formed "Wood Shedders" selection of Christmas songs and instrumental solos.

Such was the enthusiasm for their performance that by public acclaim they have agreed to return on 26th January 2022 to perform some Burns inspired tunes.

Trustee's Meetings

The minutes of Trustees meetings are now posted on our web site www.culterdistrictmensshed.org.uk. Click on Admin and enter the password CDMSm1ns. They will be updated after formal approval by the Trustees.

Snow Good!

The 2021 project of producing Snowmen from discarded pallets has been an outstanding success. Thanks are due to all those involved in their production, painting and marketing.

Over £1,500 has been raised by this collective action and will be a very useful source when planning activities for 2022.

Members of the Photography Group are invited to take a couple of local images for discussion at their meeting. This striking image (below) of the Hub in Cults was submitted by Aidan.

The next meeting is scheduled for Tuesday 18th January 2022 at 18.45. Images of "seats" will be the focal point at this meeting.

All members are very welcome – no expertise or expensive equipment required.
